

This is to certify that

Seelaus Instrument Co.

of

Cincinnati, Ohio

is an Authorized

PERMANENT INSTRUMENT SERVICE CENTER

and the following employees have completed the 16 hour MSA Program of Instruction.

Permanent Instrument Service Personnel

Kevin Raitz – Michael A. Keller

The Permanent Instrument Service Center and Permanent Instrument Service Personnel named above are hereby authorized to perform all tests, calibration and repair procedures for MSA Permanent instruments as specified in the MSA Program of Instruction.

The above-named individuals are authorized to perform repairs on MSA Permanent Instruments, only if they have first completed MSA Permanent Instrument Technical Service Training conducted by an authorized MSA trainer; only while they are employed by the above-named Permanent Instrument Service Center; and only when the tools, test equipment, and replacement parts as currently specified or later modified by MSA are used. This certificate is non-transferable.

Awarded this 19th day of December, 2007.

This certificate supercedes all prior certificates and expires December, 2010

MSA Training Coordinator, Instrument Division

MSA Service Manager, Instrument Division
